

Mandarin Course

Mandarin ranks first in the world's league table of languages, with an estimated 1.3 billion native speakers. The Linguaphone Mandarin Dialogue course is perfect if you want to get to a reasonably high level of ability. Whether that is because you are working abroad, studying for an exam or wanting to refresh yourself from previous study. It is designed for absolute beginners and for those with a slight knowledge who need to increase their skills. Completely self contained and packed with everyday situations, this course will provide you with a thorough basic knowledge of the language and enable you to and speak and write with reasonable fluency.

This course contains:

8 CDs

Recordings of native speakers ensure a good accent.

Handbook

The handbook is your tutor. Written in English, it provides you with all the necessary language guidance and explanations. It also includes a list of vocabulary and covers all the grammatical points as new words and phrases are introduced in the recordings.

Textbook

The textbook is a printed and illustrated transcription of the CD recordings. This means that you can follow the text whilst listening to the CDs and so become familiar with the spelling and structure of the language

Oral Exercise Book

Spoken practice and exercises improve your accent and pronunciation

Study Guide

Full instructions on how to plan your study and get the most out of your course

Alphabet Book

This booklet gives you basic details and information on how to recognise and write simple Chinese characters

CD Language Lab

The CD language lab helps you to record your voice and compare it with that of the original recording enabling you to have a clear pronunciation of the language
