

## Japanese Course

This course is designed for absolute beginners and for those with a slight knowledge who need to increase their skills. Completely self contained and packed with everyday situations, this course will provide you with a thorough basic knowledge of the language and enable you to and speak and write with reasonable fluency.

**This course contains:**

**6 CDs**

Recordings of native speakers ensure a good accent.

**Illustrated Textbook**

This book gives the text of the recordings, in Romanized spelling (Romaji). It is illustrated by pictures which were drawn in Japan by Japanese artists.

**Handbook**

The handbook contains instructions in English on how to use the course, lesson vocabularies and translations, and explanatory notes. It also contains notes on Japanese writing and the sounds of Japanese.

**Study Guide**

Full instructions on how to plan your study and get the most out of your course.

**CD Language Lab**

The CD language Lab helps you to record your voice and compare it with that of the original recording enabling you to have a clear pronunciation of the language
